Rev1 Ventures and 18 of our seed- and concept-stage companies are excited to be in attendance at 3 Rivers Venture Fair. We are proud to be a part of the entrepreneurial growth of Columbus and the Midwest region. For a full list of the companies in attendance, see the back of this page.

**We look forward to  
meeting you.**

Rev1 Ventures is an early-stage venture development organization that combines investment capital and strategic services to help entrepreneurs build products people want and companies that succeed.

Our seasoned, data-driven team delivers early market validation for startups, helping them lay the foundation for scalable growth with the skills to evolve their product, sell to customers and build the right team. Rev1 manages a continuum of investment funds with support from corporate, community and innovation partners, as well as the Ohio Third Frontier.
