

## Host your next meeting or event in Downtown Columbus' home of tech innovation

From a board meeting to a large-scale event, Rev1 at The Peninsula has you covered. Enjoy a comfortable and inspiring environment, in the midst of the region's hub for innovation and entrepreneurship.

Skyline views and startup energy included.

### **Flexible. Tech-enabled. Designed for connection.**

Easy-to-use, hybrid-ready technology is built in. Our catering kitchen is at the ready. Rev1 at The Peninsula gives you a professional environment, designed to let you focus on getting business done.

### **Ambition meets community here.**

Rev1 Ventures is built to support the startup ecosystem. If you're a founder, investor, corporate innovator, or organizer who brings people together around technology, innovation, or entrepreneurship, we'd love to host your next event.

We offer in-kind use of our spaces for nonprofit organizations and ecosystem partners. Rev1 at The Peninsula members and Rev1 partners may receive reduced rental fees. Apply to see if your event is eligible.

**Meet where Columbus' game changers and ground breakers are building what's next.**

“ The space was perfect for our Startup Weekend. Our team and attendees were so happy with the location. It was beautiful, with perfect spots for breakout groups. We had five teams and they all loved it. Use of the kitchen was exceptional for our caterers. I have zero complaints. When should we do the next one?! ”

- **Nomiki Petrolla**, Techstars Organizer and Founder & CEO of Theanna
